Long handles/

BY FURNIPART

Our collection of long handles accommodates the need of handles for tall cabinets and closet doors. Emphasizing the vertical lines of tall fronts, our long handles are a graphic design statement with clear functionality. These handles are not meant to be hidden though they can be discrete.

We offer Big, Edge Straight, Mango, Elan and Regular 2 in lengths from 512 up to 1200.

Big & Regular 2/

BY FURNIPART

Cut-to-size handles
Both Big and Regular 2 can be cut to the size to suit your needs. The tubes are easily cut, and the feet are designed to cover any cutting marks. Extra-long handles can be made by connecting tube lengths using the connector which is supportive and hides the tube joints.

These handles are the perfect finishing touch to a bold interior design.
